

DAN TAVARES ARRIOLA

AGE: 36

OCCUPATION: DEPUTY DISTRICT ATTORNEY

I'm running for re-election for Mayor because our community deserves a proven leader who takes a stand and gets things done.

Having grown up in Tracy, I've seen our community change and grow. After graduating from West High, I earned degrees from UCLA and USC Law, then returned home because I wanted to serve the community that raised me.

As Mayor, Councilmember, and School Board Trustee, I've committed myself to making Tracy the best community possible. I'm proud of our progress—but there's still much work to do!

Let's continue prioritizing public safety. As Deputy District Attorney, I fight for justice in our community every day. I'll fight to ensure public safety remains our highest priority and advocate for the tools and strategies that keep our community safe.

Let's continue building our local economy and city infrastructure. I'll keep fighting for new businesses, better jobs, and stronger investments in roadways and public parks.

Let's continue improving trust in local government. I've championed efforts to hold previous misconduct accountable, and I'll keep working to restore Tracy's reputation as a business-friendly city and attract the businesses and amenities our community demands.
