

Name: Jass Sangha

Occupation: Businesswoman/Planning Commissioner

Qualifications: For more than 25 years, Tracy has been my home. My children attended Tracy's public schools, and I have dedicated myself to serving our community.

As a business owner, current San Joaquin County Planning Commissioner, and previous Tracy Planning Commissioner, I understand the importance of responsible growth, strong neighborhoods, and a thriving local economy.

I am running for Tracy City Council District 1 to bring experienced, community-focused leadership to City Hall. My priorities are public safety, improving infrastructure, encouraging business investment, and creating more opportunities for our youth so they can build their futures right here in Tracy.

I am honored to be the only candidate for District 1 endorsed by both the Tracy Police Officers Association and the Tracy Firefighters Association, reflecting my commitment to keeping our neighborhoods safe and supporting those who protect our community.

Together, we can keep Tracy affordable, strengthen our local economy, and preserve the quality of life that makes our city a wonderful place to live, work, and raise a family.

I respectfully ask for your vote for Tracy City Council District 1.
