Persons requiring assistance or auxiliary aids should call City Hall (209/831-6105) 24 hours prior to the meeting.

**Addressing the Planning Commission on Items on the Agenda** – The Brown Act provides that every regular Planning Commission meeting shall provide an opportunity for the public to address the Planning Commission on any item within its jurisdiction before or during the Planning Commission’s consideration of the item, provided no action shall be taken on any item not on the agenda. To facilitate the orderly process of public comment and to assist the Planning Commission to conduct its business as efficiently as possible, members of the public wishing to address the Planning Commission are requested to, but not required to, hand a speaker card, which includes the speaker’s name or other identifying designation and address to the City Clerk prior to the agenda item being called. Generally, once the Planning Commission begins its consideration of an item, no more speaker cards will be accepted. An individual’s failure to present a speaker card or state their name shall not preclude the individual from addressing the Planning Commission. Each citizen will be allowed a maximum of five minutes for input or testimony. In the event there are 15 or more individuals wishing to speak regarding any agenda item including the “Items from the Audience/Public Comment” portion of the agenda and regular items, the maximum amount of time allowed per speaker will be three minutes. When speaking under a specific agenda item, each speaker should avoid repetition of the remarks of the prior speakers. To promote time efficiency and an orderly meeting, the Presiding Officer may request that a spokesperson be designated to represent similar views. A designated spokesperson shall have 10 minutes to speak. At the Presiding Officer’s discretion, additional time may be granted. The City Clerk shall be the timekeeper.

**Addressing the Planning Commission on Items not on the Agenda** – The Brown Act prohibits discussion or action on items not on the posted agenda. The City Council’s Meeting Protocols and Rules of Procedure provide that in the interest of allowing Planning Commission to have adequate time to address the agendized items of business, “Items from the Audience/Public Comment” following the Consent Calendar will be limited to 15-minutes maximum period. “Items from the Audience/Public Comment” listed near the end of the agenda will not have a maximum time limit. A five-minute maximum time limit per speaker will apply to all individuals speaking during “Items from the Audience/Public Comment”. For non-agendized items, Planning Commissioners may briefly respond to statements made or questions posed by individuals during public comment; ask questions for clarification; direct the individual to the appropriate staff member; or request that the matter be placed on a future agenda or that staff provide additional information to

Planning Commission. When members of the public address the Planning Commission, they should be as specific as possible about their concerns. If several members of the public comment on the same issue an effort should be made to avoid repetition of views already expressed.

**Notice** – A 90-day limit is set by law for filing challenges in the Superior Court to certain City administrative decisions and orders when those decisions or orders require: (1) a hearing by law, (2) the receipt of evidence, and (3) the exercise of discretion. The 90-day limit begins on the date the decision is final (Code of Civil Procedure Section 1094.6). Further, if you challenge a Planning Commission action in court, you may be limited, by California law, including but not limited to Government Code Section 65009, to raising only those issues you or someone else raised during the public hearing, or raised in written correspondence delivered to the Planning Commission prior to or at the public hearing.
