My name is Jake LaPoint. I am a Tracy Resident and greatly support Jose Chavez's application to the City of Tracy Planning Commission.

I couldn't think of a better person to recommend than Jose Chavez as a life long resident of Tracy, a person who has only ever wanted growth in the city he has grown up in.

I believe that José is in tune with the needs of the next generation, my generation and will serve as a responsible leader guiding Tracy's development to encourage growth, preserve our farmland, and maintain Tracy's appeal as a family-friendly city.

I know that with Jose on the planning commission, improvements will come and it will put our City's name on the map.

Best,
Jake LaPoint
