# Criteria

---

## **In order of priority:**

- Equal Population
- Federal Law
- Contiguous
- Communities of interest
- Topography/Geography
- Compactness

# Things to Remember

---

**Strive for population equality.** Be prepared to justify deviations

**Ensure compliance with federal Voting Rights Act.** Avoid vote dilution where required

**Do not use race as the predominant factor.** Only as one of many factors and cannot subordinate other redistricting criteria

**Focus on traditional criteria.** Draw contiguous divisions, respecting communities of interest, making use of existing topography and geography, while being compact as possible.

**Don't focus on politics.** Avoid considering impacts on parties, incumbents, or candidates.
