

The City of Tracy now offers nine TRACER bus routes, including commuter routes with morning and afternoon service to most local schools. It's easy to travel throughout Tracy for school, work, shopping or recreation. This guide includes everything you need to plan your trip.

HOW TO USE THIS GUIDE

The map on the reverse side of this guide shows each of the routes in a distinct color. All the bus stops are shown as yellow triangles along the route.

TIMEPOINTS (those bus stops highlighted on the schedule) are shown with a number in a circle. Use these easy steps to plan your trip:

1. Use the map to identify the route(s) that connects where you are and where you wish to go.
2. Find the timepoint on that route which is nearest the bus stop where you wish to board.
3. Find the schedule for your route (it is shown in a matching color).
4. Find the same numbered timepoint on the schedule. Read down to see what time buses depart from that point.
5. If you're boarding at a non-timepoint, use the nearest timepoint before your stop to estimate the bus departure time.

HOW TO CATCH THE BUS

TRACER bus stops are clearly marked with the sign shown here. To ensure you catch the bus, be at the bus stop a little before the scheduled departure time. (Do not stand in the road.) As the bus approaches, signal the driver that you wish to board by waving your hand. Once on board, pay your fare or show your pass to the driver, take a seat and enjoy the ride.

TRANSFERRING

You may need to transfer between routes when you make a trip on TRACER. Transferring is not difficult, and transfers between routes are FREE when traveling continuously to your destination without stopping except to transfer to a different route. The driver will accept your transfer ticket if the bus you are transferring to is the first possible bus on that route that you can board after exiting the bus from which you transferred. You may not re-board the same route using a transfer. You must pay another fare to ride if you do not board the first possible bus on the route to which you are transferring.
