ADDENDUM NO. 2

July 28, 2026

RE: Request for Proposals for Professional Services, Providing Technical Study and Design of Security Systems Upgrades at Wastewater Treatment Plant, Storm Drain Pump Stations (SDPS) and Sanitary Sewage Lift Stations (SWLS)- CIP 74128.

All prospective PROPOSERS are hereby notified that modifications and/or changes are to be made to the Request for Proposals (RFP) for this project, as entitled above.

The following items indicate additions and/or deletions to the above-referenced project's documents and are hereby made a part thereof and are subject to all applicable requirements thereunder as if originally shown and/or specified. This addendum modifies the RFP and is hereby made part of this project to the extent as though it were originally included therein.

This addendum shall be acknowledged either by 1) acknowledging on the Signature page of the PROPOSER's proposal or 2) signing the last page of this addendum and submitting it with the proposal. Any proposal not in compliance with this requirement may be rejected.

The documents of this project are hereby changed as follows:

Item No. 1:

Question. "Would the City consider arranging a brief additional site visit at a time convenient for staff? We would be happy to attend an additional group visit made available to other interested proposers, limit our attendees, comply with all facility access and safety requirements, and avoid requesting any private interpretations of the RFP. If another visit cannot be accommodated, would the City please consider providing, by addendum, any site-visit questions and responses, available site lists, drawings, photographs, system inventories or other information that proposers may rely upon?"

Answer:

City has scheduled additional non-mandatory pre-proposal site visit for Wastewater Treatment Plant and Storm Drain Pump Stations (SDPS) and Sanitary Sewage Lift-

Stations (SWLS) on July 30, 2026, from 8.30 AM to 11.00 AM. To ensure access to project locations, PROPOSER(s) must submit the name of their representative(s) attending the site visit via email to Padmanjali.vanka@cityoftracy.org by 5:30 pm on July 29, 2026. It is at the discretion of the PROPOSER(s) whether to visit all locations.

Additional Site visit for approximately 7- Storm Drain Pump Stations (SDPS) and 10 - Sanitary Sewage Lift Stations (SWLS) are scheduled from 8.30 am to 10.30 am, starting promptly at 8.30 am.

First location for site visit is Larch Rd lift station at 537 W LARCH RD, TRACY, CA.

For Wastewater Treatment Plant, 3900 Holy Drive, Tracy, California, from 10.30 am - 11.00 am.

All the site visit questions and responses will be added in upcoming addendum(s).

Even G. Marcelo, PE., City Engineer
