

**STATEMENT OF QUALIFICATIONS FOR
TRACY CITY COUNCIL
DISTRICT 1**

ROBIN COLE

Occupation: PROJECT MANAGER

Qualifications: I have lived in Tracy for more than 40 years. My husband Henry and I raised our sons here where they proudly graduated from West High. My grandchildren enjoy visiting and playing in our neighborhood park. I love living here.

For over 30 years I, like many, spent hours of my day commuting over the Altamont to good paying jobs in the Bay Area. I hope to help change that so you can work, live and thrive here in Tracy.

Now that we have Council Districts, members can provide more representation of the neighborhoods in which we live. I believe that my solid business background in banking, finance and project management allows me to provide a new perspective to the Council, bringing a strong, fresh, objective voice in community decisions.

At the end of the day, I'm a resident of the City of Tracy and I promise I will listen to you and together we can make our community better, safer, and more beautiful.

I will be honored and humbled to serve as your representative on the Tracy City Council and earn your vote on Tuesday, November 3.
